

## Your Lines of Intelligence

Which intelligence lines have you developed, and which are less important to you? Which ones would you consider you were born with? Are there any areas you see as weaknesses and would like to develop? If so, find answers to the life questions. Do you need to develop more stability, have more clarity, be more connected or get more active?

In the context of relational intelligence, this emerges when we marry the paradox between the need for closeness and distance, and the paradox between 'the ideal' transcendent love and 'the real' Immanent love.
